

SUGGESTED PLAN DETAILS

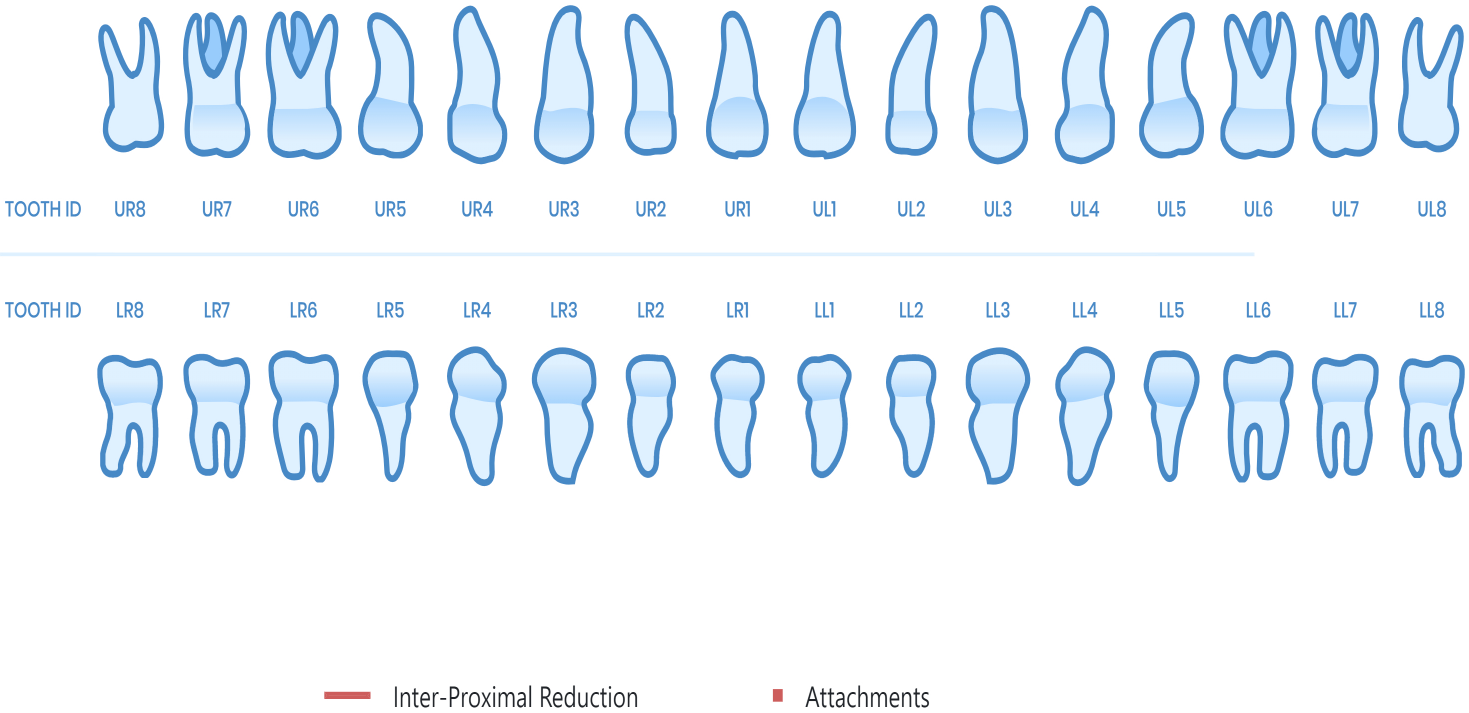

PATIENT: YSD ID 108640501

Order number : 107996

Number of Upper Aligners	14
Number of Lower Aligners	6
*Estimated Treatment Length	7 Months

*We do not guarantee the length of the treatment. Progression may vary according to the daily usage by the user, follow up notes from the orthodontist, and/or the patient’s anatomy. However, the more you follow your treatment plan, the more probable the time frame will be.

Attachments should be placed at Stage#: 0

How to wear your Aligners

Wear each pair of aligners (upper and lower arch) for 22 hours a day for 14 to 21 days depending on continuous use.

The next pair of aligners is placed for the same period of time and so on until the end.

Your aligners should only be removed for eating, drinking hot beverages, and brushing your teeth.

Your not alone, Your doctor will guide you during your treatment. Feel free to contact your doctor anytime for additional treatment instructions.
